Spec Guide
OW70

Spec Overview

OW70 Slimline Window

Profile Specification

Outer Frame Depth	70mm
Sash Depth	64mm
Frame-Sash Sightline [LL]	65mm [85mm]
Mullion-Sash Fixed Sightline	80.5mm
Mullion-Sash and Sash Sightline	107mm
Frame Polyamide Width	32mm
Max. No. Glazing Divides	4
Glazing Bar Height	25mm
Glazing Divide Height	35mm
Glazing Options	28mm
External Render Margin [LL]	10mm [30mm]
Internal Plaster Margin [LL]	38mm [58mm]

Features

Epitomised by its minimalist design, the Slimline Window offers sightlines of just 65mm to help maximise glass and your views. Its clean aesthetic brings a disciplined beauty, and with full customisation possibilities, can be tailored to suit any architectural style.

- **Soho-style** look, with sleek steel-look design
- Modern look with sleek design
- Flush External Casement
- Square bead internally, for a clean minimalist finish
- Square rebate externally
- Exceptional thermal performance, with U-Values as low as 1.2W/m^2K
- Available in over 150 RAL Colours
- Mechanical double crimped corners
- Nemesis Espag locking mechanism
- Up to a 20-year guarantee on parts*

*Visit origin-global.com for Terms and Conditions

Colours

OW70 is available in the following popular colours, along with Hipca White - 9910G/M, and in over 150 special RAL colours.

All colours are available with an optional Marine finish.

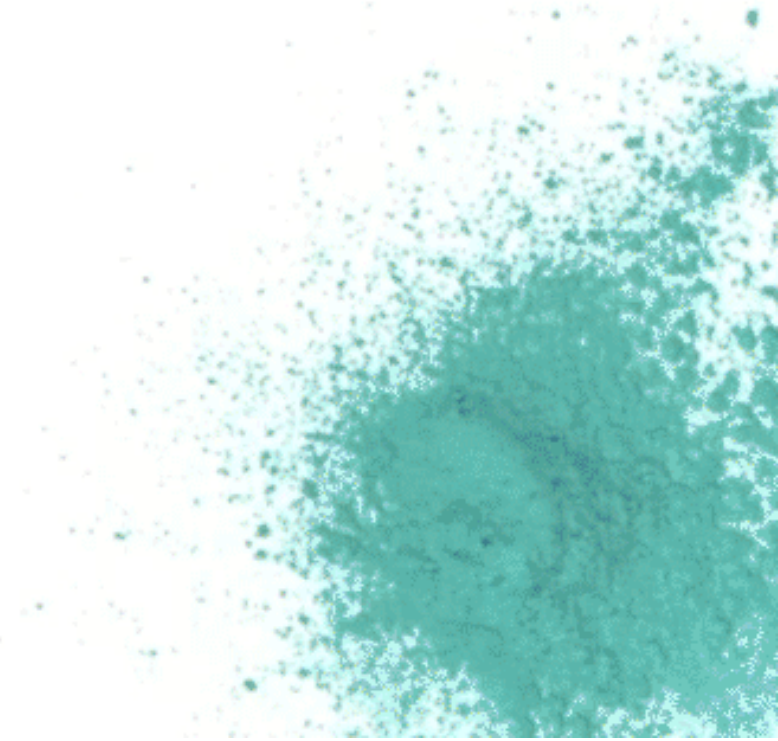

Visit origin-global.com for up-to-date lead times.

Anthracite - 7016M

Jet Black - 9005M

Black/Grey - 7021M

Textured Black - 9005T

Options and Extras

OW70 has an extensive selection of flexible design options to fully customise any living space.

- Configure as a **Bay**, **Casement**, **French** or **Picture**
- True integral glazing divides
- Concealed drainage (available with cill only)
- Colour coded gaskets
- Door-to-window and window-to-window coupling
- Easy clean side hung sashes*
- Egress hardware*
- Fixing strap
- 15mm and 35mm frame extender
- Night vent function
- Metallic or colour-coded handles

**Size and weight limitations apply*

French Window Sash Height	574mm	1,374mm
Mullion / Transom	300mm	1,800mm
Glazed Area Next to Mullion (m^2)	-	2.05m^2

Configurations

OW70 is available in the following popular configurations, however to design your bespoke configuration, please login to OSS.

Handles

Handle Options

Sophisticated in design, the refined suite of handles have been engineered to instil confidence through its looks, touch and operation, and guarantees to draw you in from the very first interaction.

You can specify OW70 with a number of handle options

- Signature Knurled
- Inline or Offset (as pictured)
- Heritage in Monkey Tail or Pear Drop styles

Our Offset Handle can be specified in stainless steel or in a colour coded RAL option.

SIGNATURE KNURLED

INLINE

HERITAGE

Signature Knurled

OW70 is complemented by our Signature Knurled Handle, which is available in six stunning finishes, each with colour-matched screws.

Antique Brass

Rose Gold

Brushed Black

Satin Brass

Brushed Bronze

Satin Stainless

Inline Handle

The Inline Handle is available the below six colours, or Matt Black.

Anthracite

Gold

Brushed

Satin Grey

Chrome

Silver

Heritage Style

Our Heritage-inspired Monkey Tail and Pear Drop handles are the perfect addition to a traditional looking OW70, and are available in two stunning colourways – Matt Black and Hammered Pewter.

Matt Black

Hammered Pewter

Matt Black

Hammered Pewter

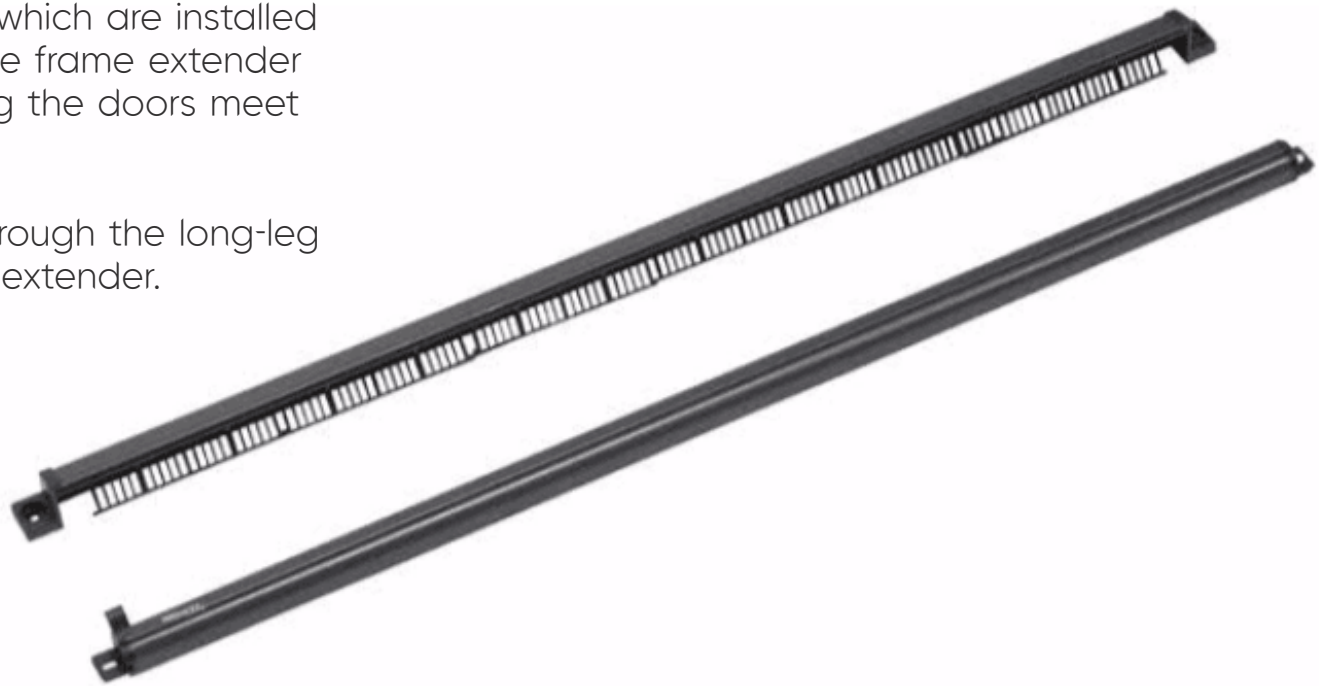

Options

Trickle Vents

Trickle vents have to meet the minimum air flow rates as defined in the British Building Regulations.

Should it be required, OW70 can be specified with discreetly designed trickle vents which are installed within the fixed sash profile, or the frame extender for additional ventilation, ensuring the doors meet and surpass building regulations.

The trickle vents can be fitted through the long-leg frame or through a 35mm frame extender.

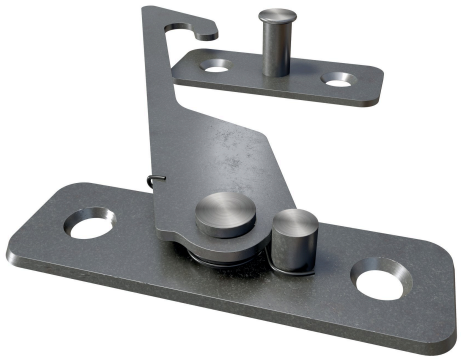

Frame Extender

15mm and 35mm frame extenders are available, allowing for thicker plaster lines on ceilings, and as well as more room for trickle vents to be fitted.

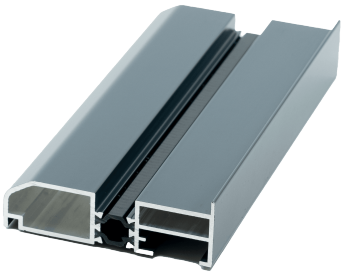

Restrictor Hooks

Restrictor hooks limit the sash opening but can be unhooked to allow the window to open fully.

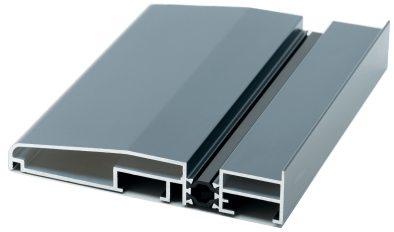

Cills

Choose from four powder coated cill options to complement OW70.

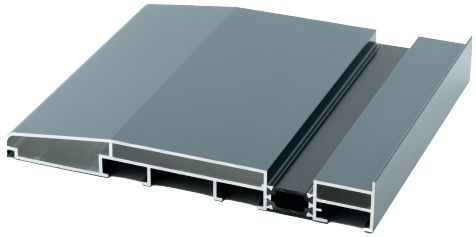

95mm

155mm

180mm

225mm

Security

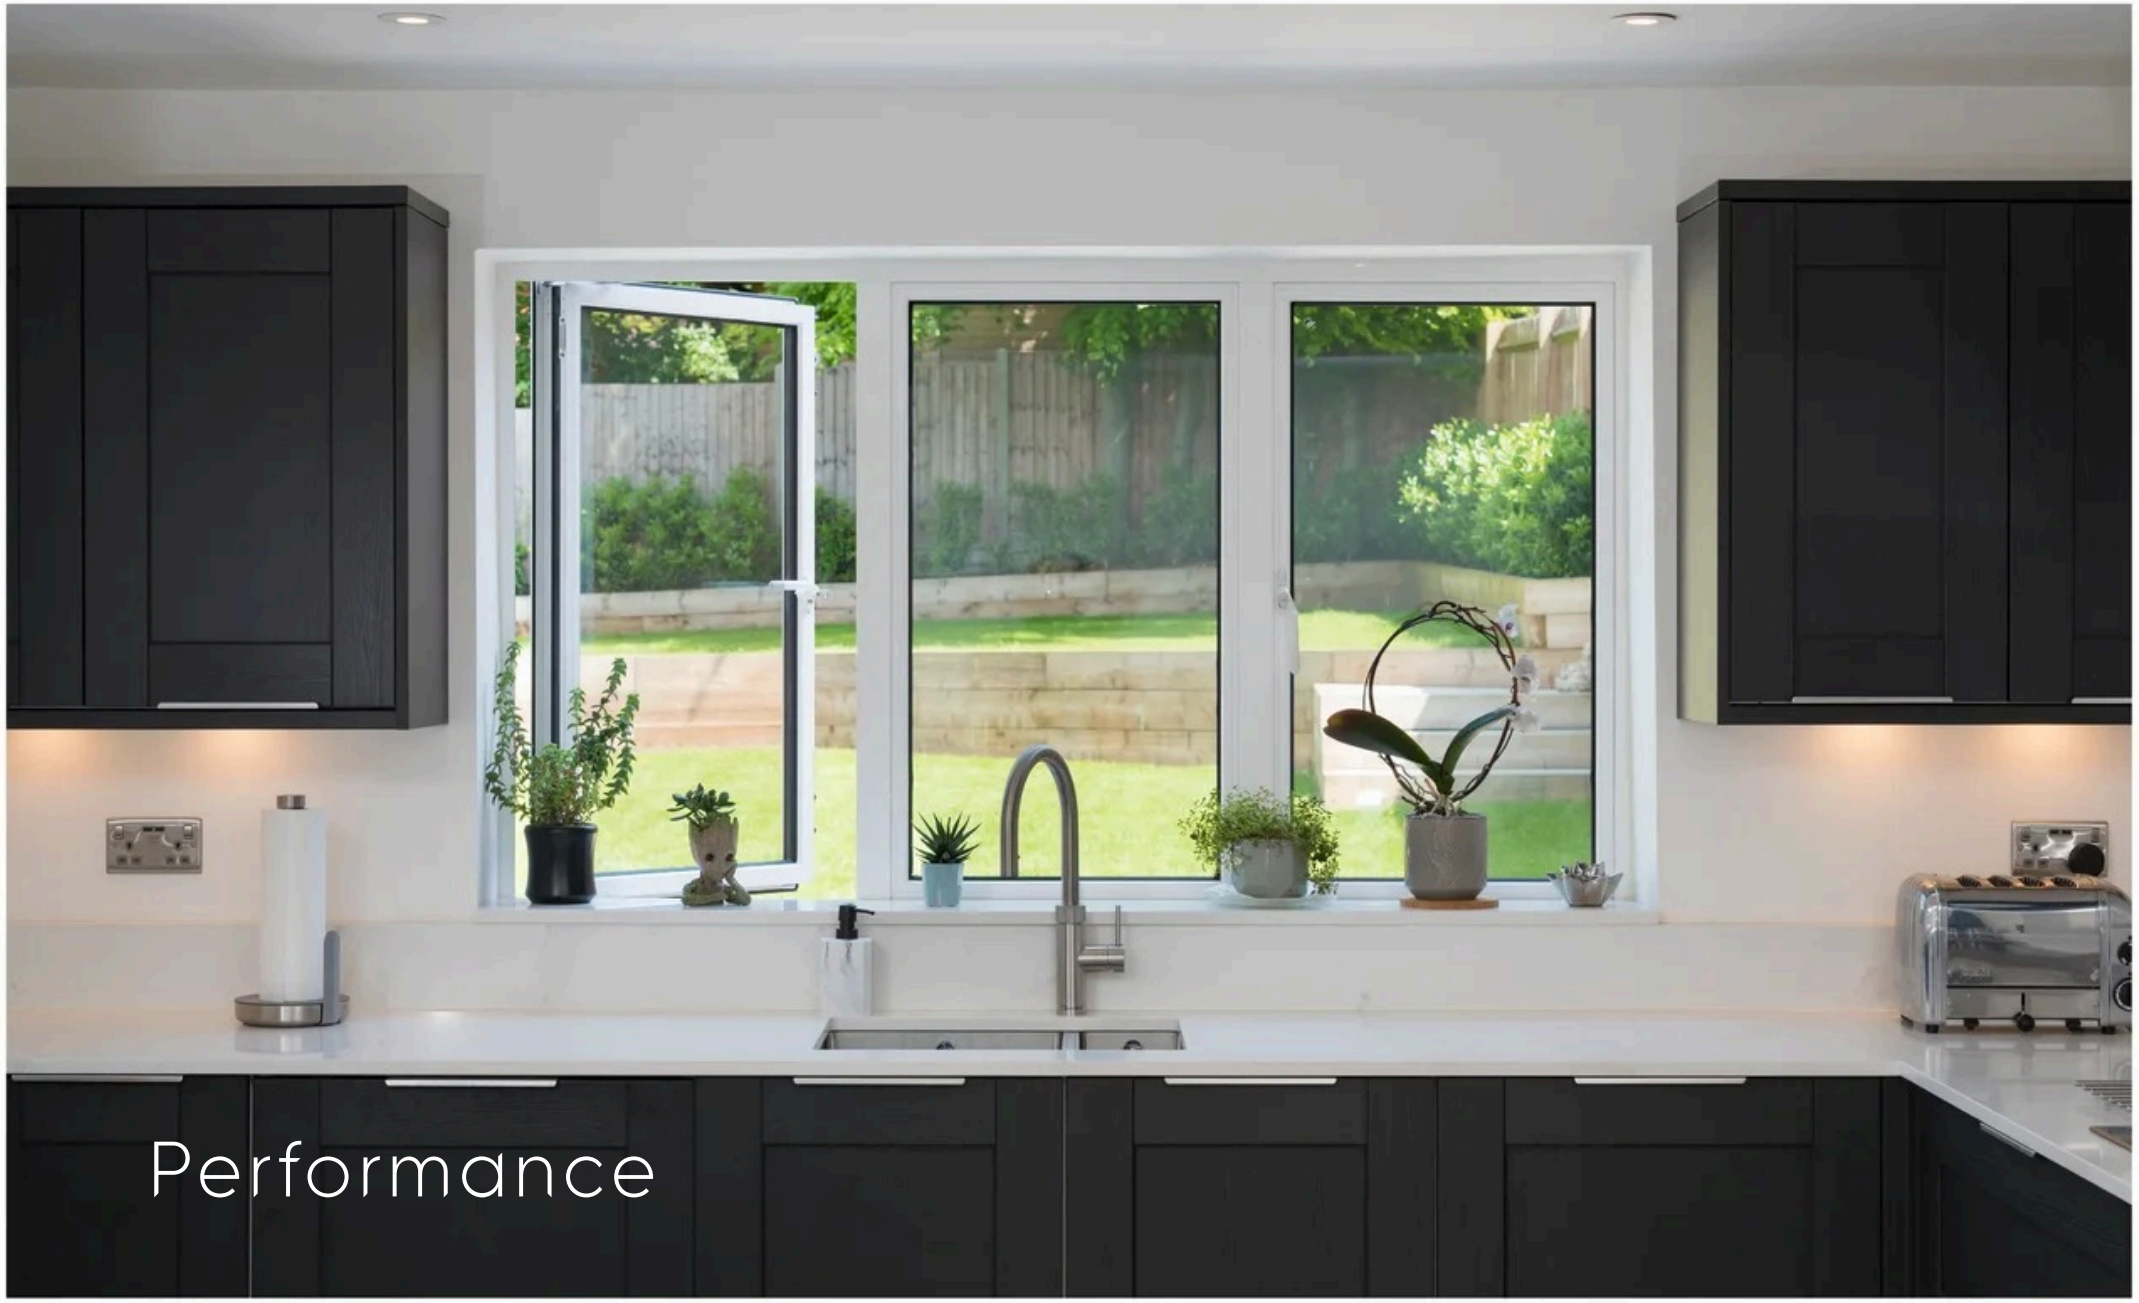

Security Features

OW70 complies with and exceeds all required security accreditations, including PAS 24 and Secured by Design.

Additionally, standard features include anti-slip and lock hinge guards, which are fitted along the hinged side of the window along with a bespoke Nemesis lock.

- PAS 24 certified
- Secured by Design Accredited
- Anti-slip and lock hinge guards
- Bespoke Nemesis lock

Performance

Product Performance

All Origin products are built to last, and thoroughly tested, which is why we offer an industry-leading guarantee of up to 20-years on parts.

OW70 has been designed for maxmised thermal efficiency, and has been engineered with a 32mm polyamide thermal break, along with a bespoke cavity gasket in the internal chamber between the sash and frame as standard.

Exceptionally slim frames, maximum viable glass coverage and airtight seals all contribute to ensuring that OW70 can meet a highly efficient 1.2 U-Value in both short-leg and long-leg variations.

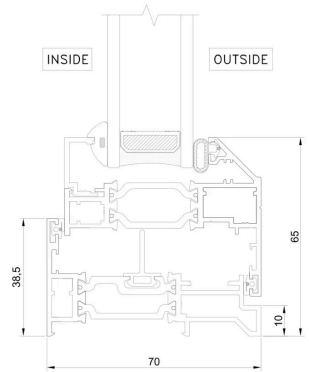

Performance, Testing and British Building Regulations*	
PAS 24	2022
Secured By Design	Yes
Air Permeability	Class 4, 600 Pa
Water Tightness	Class 9A, 600 Pa
Wind Loading	Class A5, 2000 Pa
BS 6375 Parts 1, 2 and 3	
Passed 50,000 lead sash cycles and 10,000 full cycles, equating to 25-years of use.	
New Build Limiting Value*	1.6 W/m^2K
Replacements*	1.4 W/m^2K
Energy Rating	B or better

**All doors must conform to these requirements*

Accreditations

Quality Assured

At Origin, we are dedicated to delivering products of the highest quality, supported by the best levels of service and efficiency. We are well known for our meticulous attention to detail, taking pride in everything we do. This includes not settling for today – we are always learning, innovating, evolving and improving. Put simply, we're on a quest for perfection.
It's an ethos that has become the very heart of Origin.

From products to processes, or even our sustainability, our culture encourages continuous improvement. We've put this to the test by going for prestigious accreditations. We are very proud to have achieved these and feel they show our ethical and moral dedication to operate in the best way, not because we are told to, but because it's the right thing to do. Here are some details on what we've achieved so far.
